Sammy, I don't know what to say. You are one person that I can really care a good deal about. Through thick and thin together and I will always remember those times. I hope that you're not a person that changes with distances. But long distances wouldn't bother us. I really have had a good time ever since I've known you. Don't forget "Reunion '80"; I really do hope we can get together after you've come back. I hope we can because you are a very, very much because you are a very, very special guy and I will never forget you. Take Care and God Bless you. Be good. You better be good, you do.

In life we are only beginners. The 1980 *Sundial* Staff would like to honor a woman who has helped us live our lives to the fullest. She captures moments and sets them in time. Constantly working with us, she readies us for life after Sunset. We appreciate her love, concern, and time. This is why we proudly dedicate the 1980 *Sundial* to KRISTA STOCKARD.

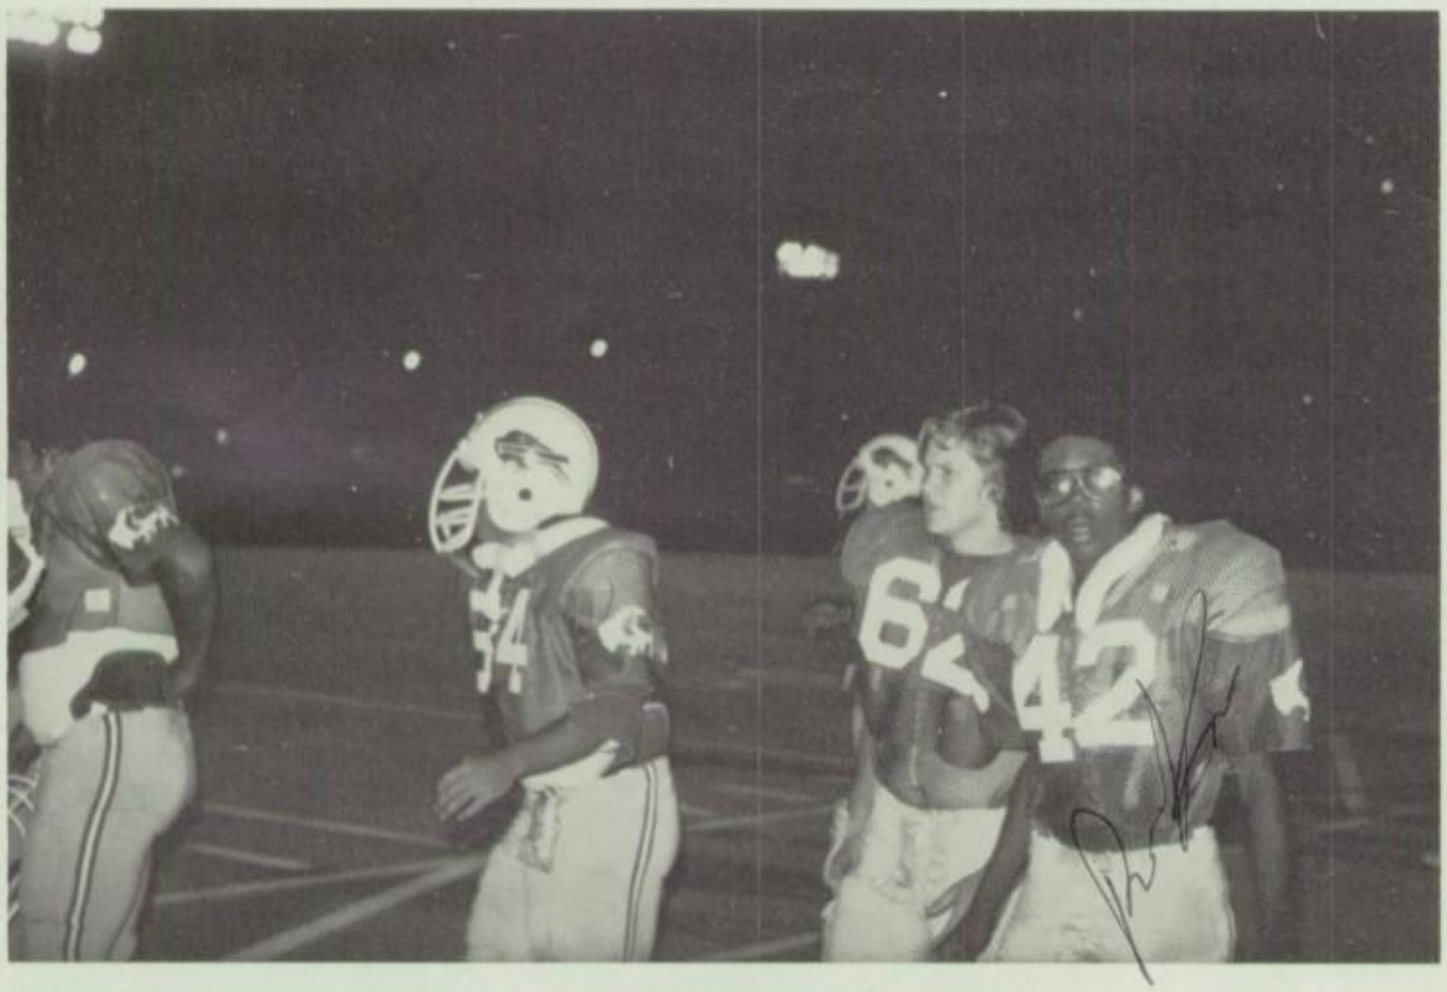
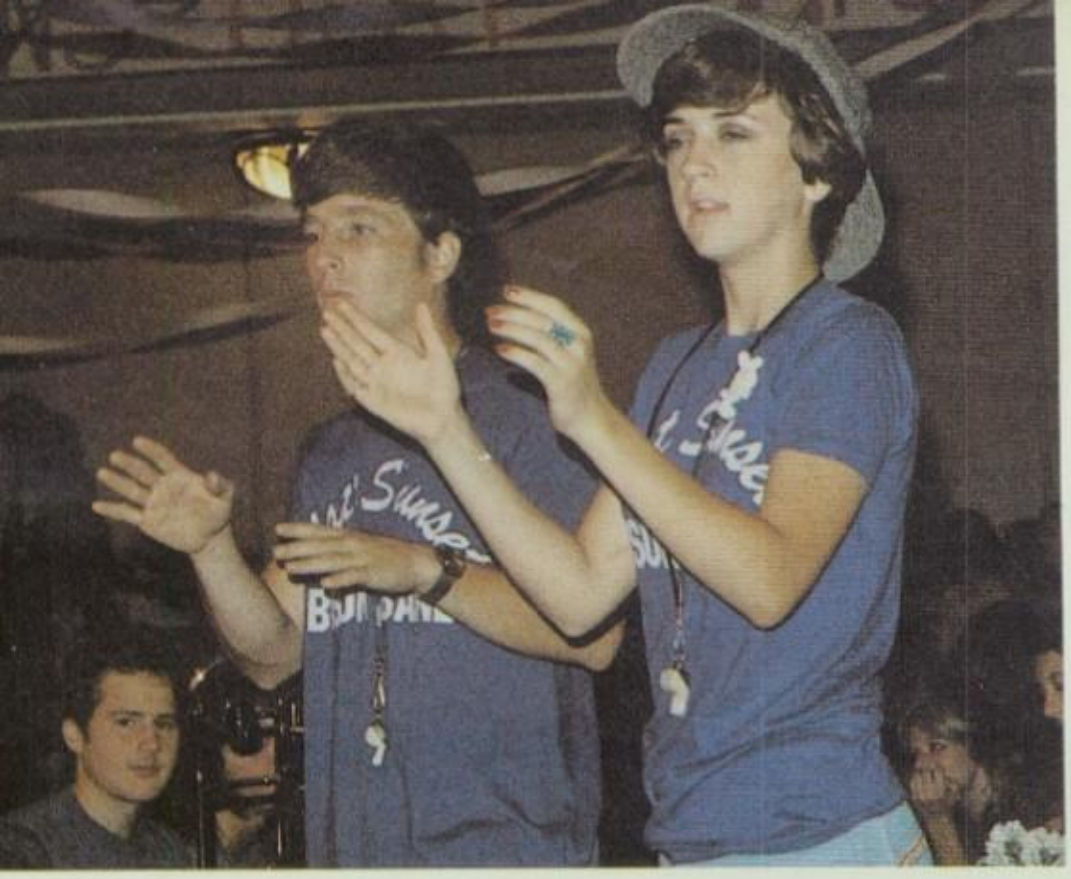
In the promise of life there
are moments that are
sometimes too short to be held
by the eye.

Moments in which we live life to the fullest are captured in thought and by time.



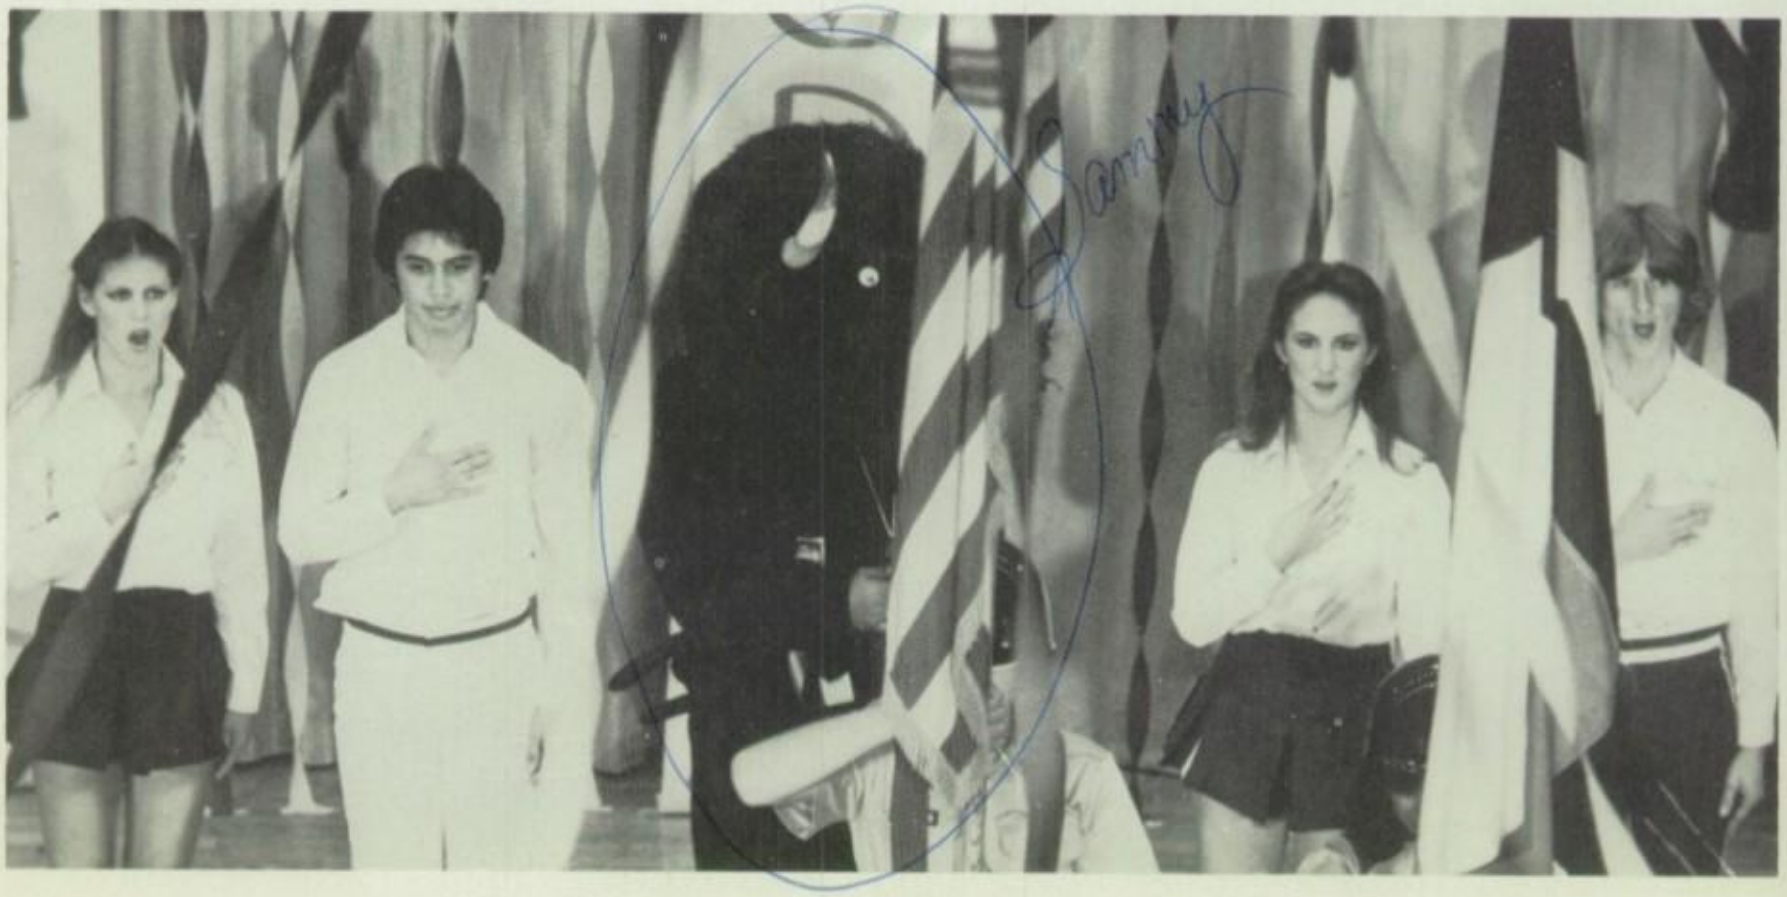
In the promise of life there is a spirit too immense to be held by the eye. A spirit in which we all become alike.



At Sunset the spirit makes us all alike in that we are Bisons.

It's not something that can be found just anywhere.

We will all leave our mark on Sunset and — in time — on the world.

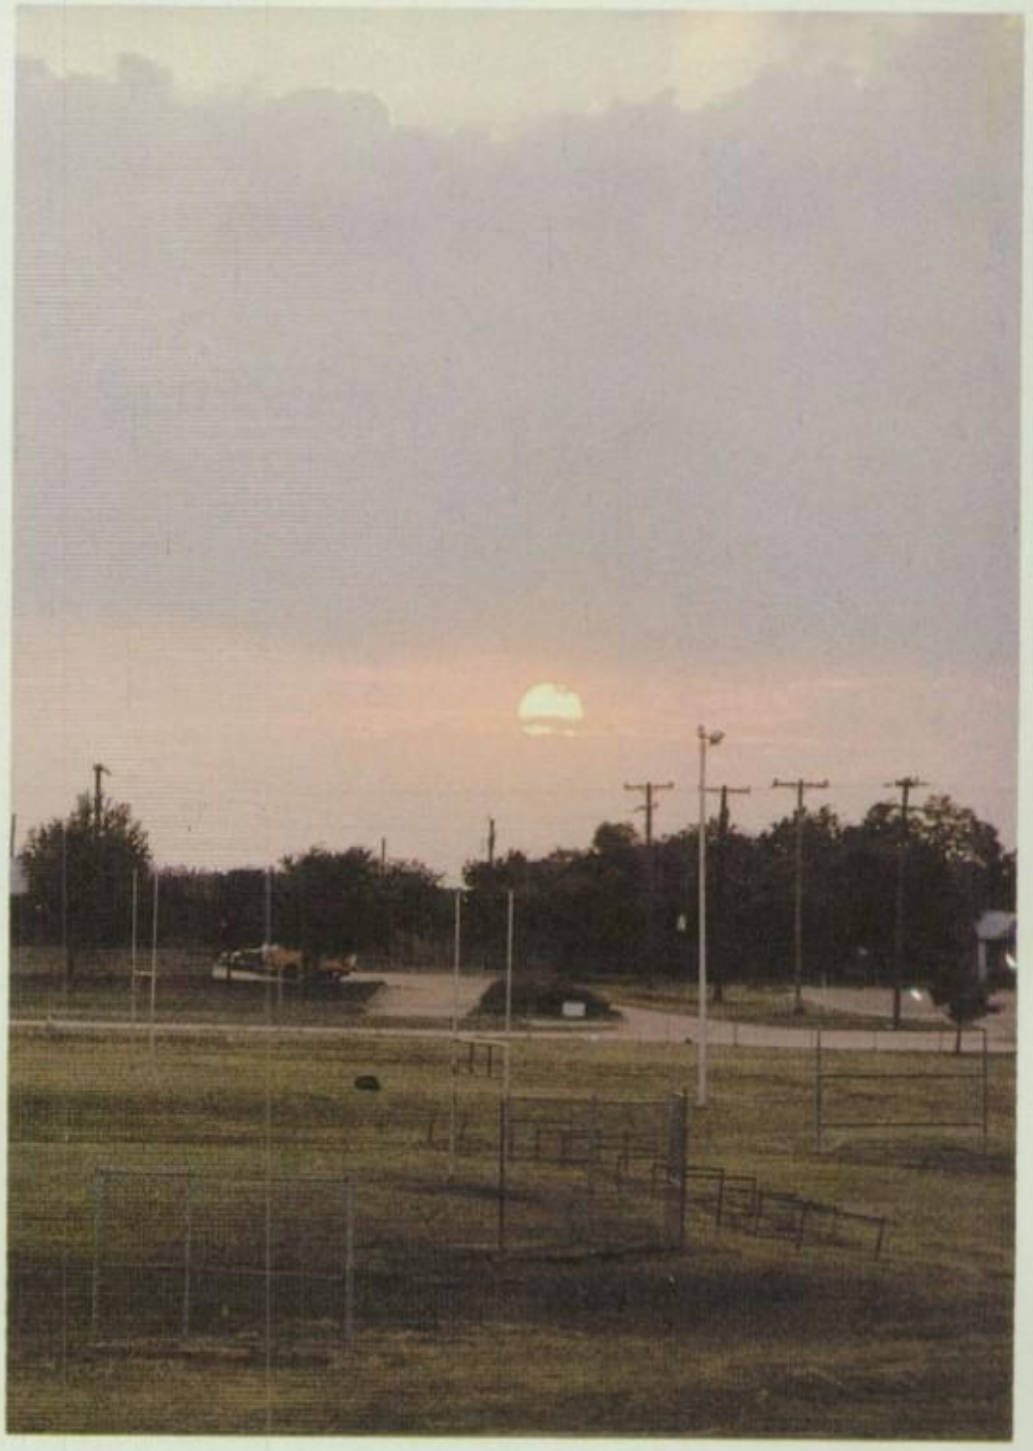


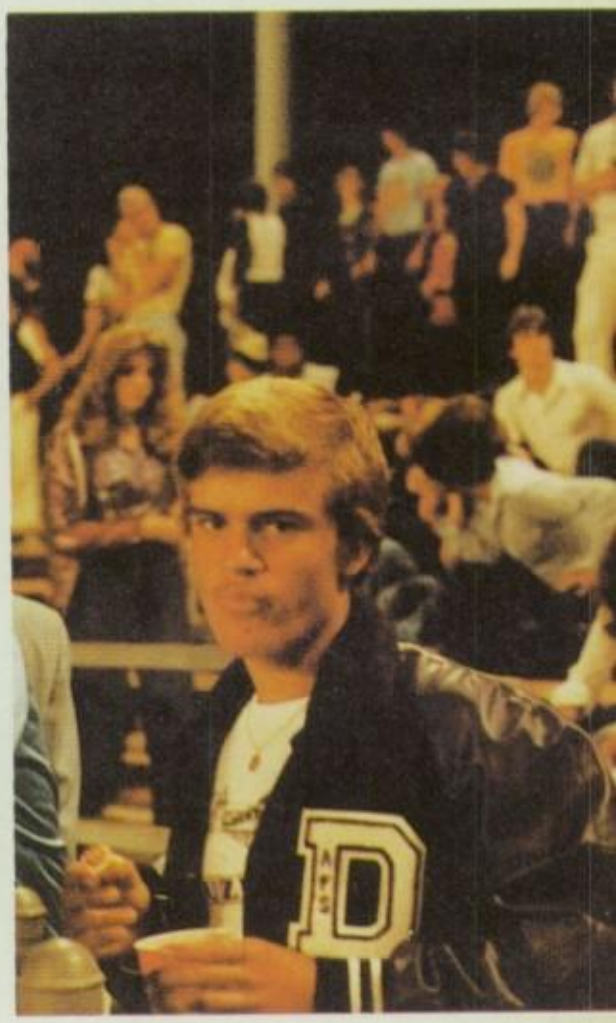
Whether this is your first year at Sunset or your last, we all leave with knowledge and pride in being a Bison.

Being a part of Sunset lasts longer than the actual days you spend here.

The spirit will be with us forever.

Sunset is more than a school, it's a way of life — it's the way we live our lives. In the end we all profit from having been students here and from being a part of the Bison spirit.





There is an uncomparable knowledge living in the friendship of Sunset, a spirit that fills us each day. In life there will be many promises but being Bisons will always assure us of a life full of SPIRIT, KNOWLEDGE, and FRIENDSHIP.

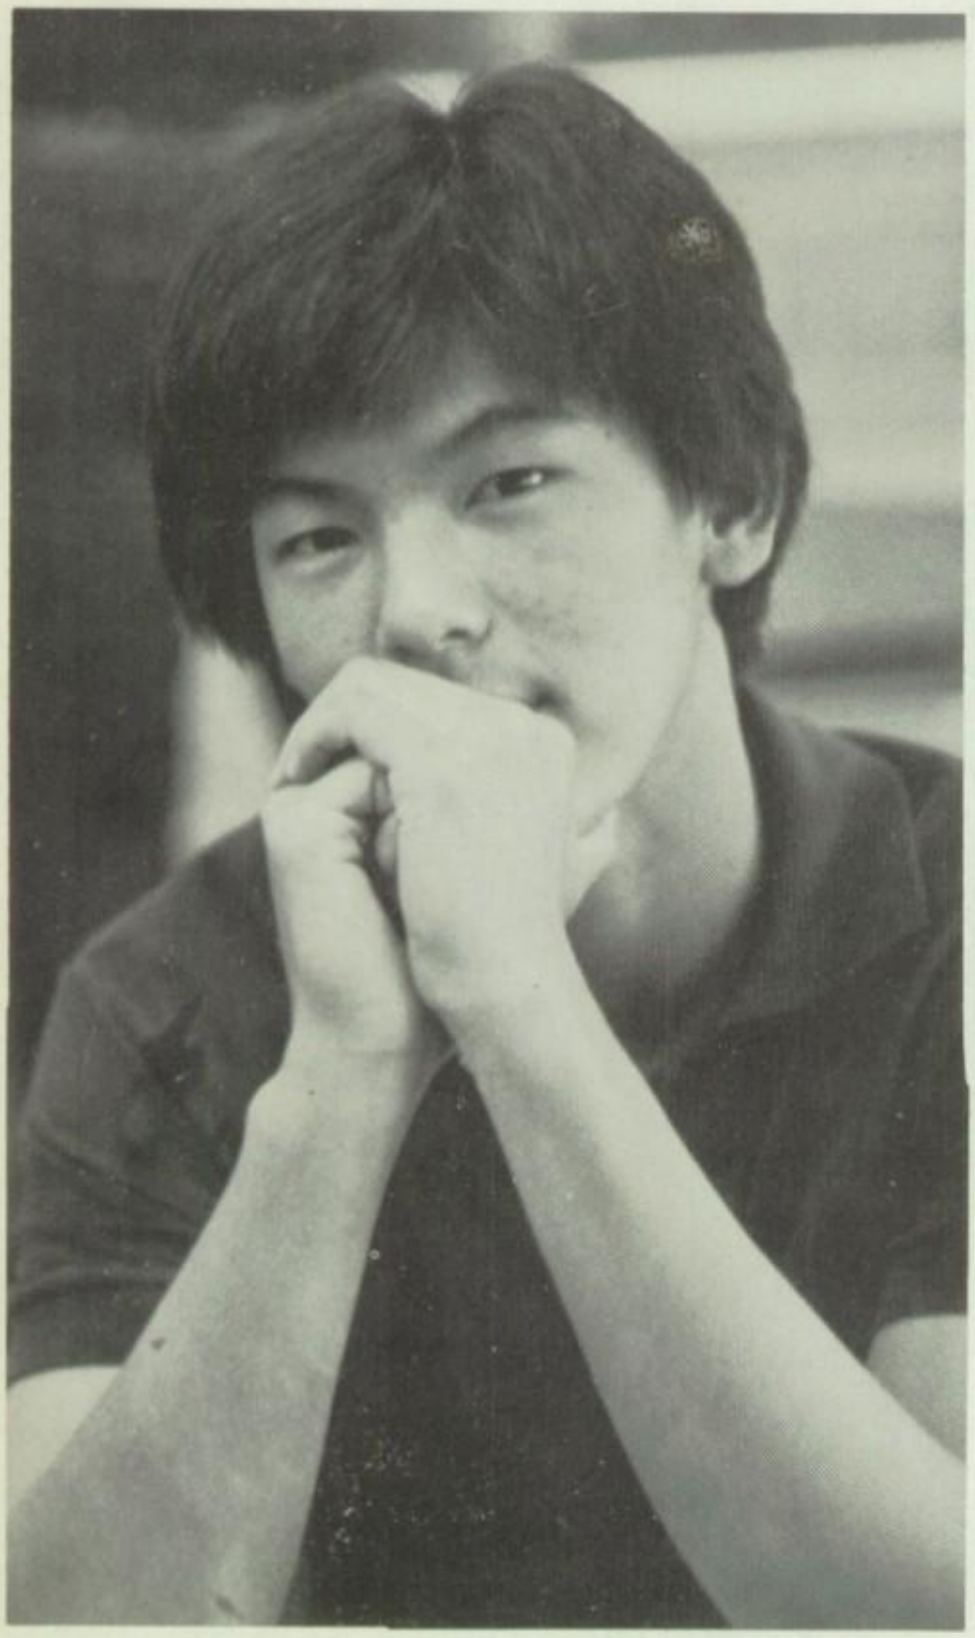
Bisons Speak . . .



In Sue Kim

1980 Student Body President

Dear Fellow Bisons,

Wow, this year at Sunset is over and the future is out there waiting for us. Being your Student Body President has made this past year a most enjoyable one for me. We went through many hard times together and I would like to express my gratitude for your support, understanding, and help.

To the Seniors of 1980: Congratulations. Every year the graduating Seniors told us how fast our last year would go by. Now it is time for the Seniors of 1980 to grow and further our education and knowledge. It seems sad but true we are leaving Sunset. But we will always have the Bison spirit, knowledge, and friendship.

To the Seniors of 1981: The next year will go by fast and you will wonder where all your time went. Take care of Sunset, for we know that you are capable of holding the name of Sunset high above all other schools.

Thank you again for your support and friendship given to me. Good Luck. God Bless You.

In Sue Kim

We came to Sunset four years ago as the first group of freshmen to enter Sunset's walls in the span of twenty-three years. We the Freshmen of four years ago are now the Seniors of 1980. My years at Sunset will always have a profound meaning to me, but definitely my senior year has so far been the most memorable and rewarding of all my school years combined.

Through my office in the National Honor Society, I have learned responsibility and dedication, leadership, and confidence — important factors which I know will be required by every person who intends to achieve a satisfying future. The experiences I've encountered through the Society will always be a priceless advantage to me.

High school is the perfect opportunity to find one's self: to be able to branch out and find one's weaknesses and then to overcome them; to be able to make mistakes and learn from them; and finally to be able to excel. For myself, this chance has proven effective and I will be leaving Sunset as a much stronger person.

Good luck to all,

Jane Khouw

1980 National Honor Society President

The end of the first chapter of our lives has come. As seniors, we have completed several years of public education. As Bisons, we have been a part of many experiences which we will not soon forget. Sunset has been great to us because we have tried our hardest to make it that way. I know it is sad to leave all the memories, friends, and great times behind, but they will be in our minds forever.

And now the second chapter must begin. We must each go our own ways to make a life for ourselves. What we do in the future will depend on how well we've prepared ourselves in the past. I sincerely hope for the best for each one of you. Just remember that through it all, in the years to come, we will all be able to share that one common high point in our lives — that we are Sunset Seniors of '80.

I pray God's blessings on each one of you.

To Sammy,

Well Sammy, it feels like ~~I~~ I have known you a lifetime, even though it has been only 2-3 years. Well now I am glad that I joined Pan-Am because that is where I found my best friend. I'm also glad that you had gotten to be the first Sunset Bison Mascot. (Hoped you enjoyed it). It's been a real pleasure to know you. I know that I'll still see you in the future. You've been the best friend that anybody could have. I hope that you are happy in California and accomplish what you seek. I feel sad and happy for ~~you~~ that we must part friendship and go our own way to succeed in life. Hope you succeed in being an artist. Well I hope that we have parted company on a good foot even though we have had our differences. Now we have to adjust to parting for awhile. Good Luck!

Spring 1979

The Spring of 1979 is past but it is still full of many happy memories for Bisons. So many things happen at Sunset after the last deadline for the *Sundial* Staff. This year we decided to try something new by devoting space in the 1980 Sundial for events that happened the year before.

The Spring of 1979 may not mean much to everyone, but to a lot of people it was a very important time of their lives.

We weren't able to cover everything that happened but we did catch some of the major events such as the great Girls' Varsity Soccer Team, Cinco de Mayo, and Graduation.

More Than Just "Swiss-Cheezz"

Dear Bisons,

I come over to Dallas from far away to learn something about the American way of life. At Sunset High School I found a home-away-from-home and many good friends. Among my new experiences in this country, the Pep Assemblies with their tremendous spirit has been a special treat for me. I hope I'm leaving you with some idea of life in Switzerland, and you now know that my country is more than SWISSCHEESE!

This year has been the most outstanding year of my life and will always be a great memory for me.

Finally, "HERZLICHEN DANK FUR ALLES UND LCH HOFFE WIR SEHEN UNS WIEDER EI NMAL," Thank you very much for everything and I hope to see you again.

Homecoming Against Adamsom

At the end of the football season, the Bison spoke to the student body. The Homecoming Assembly is the last in which the seniors participate.

Christmas Assembly

The Choral Dept. presented to the student body their annual Christmas Concert. They also performed at Union Station, Red Bird Mall, Forum 303, and Stockard Middle School.

"RAIN BO" Favorites Assembly

The *Sundial* Staff provided another fine Favorites Assembly set to the theme of the Muppet Movie. The staff members were dressed in the different colors of the rainbow.

SUNSET 7

SAM HOUSTON 28

It was a trick play on Sunset's second possession that gave the Bisons the early advantage. Jimmy Davis lateraled to wide receiver Mike Salazar behind the line of scrimmage before Salazar lofted a perfect strike to fullback Robert Brodner. The pass and run was good for 71 yards before Brodner was pulled down from behind at the Texan 12. Three plays later tailback Paul Clayborn scored from the four. But that was it for the Bisons as they fell victims to the Texan's comeback. Outstanding defensive play by Kent Kirby and Roy Segovia stopped the Texans on various occasions.

SUNSET 6

PINE TREE 21

One soph, Jay Earnhardt, a running back for the Pine Tree Pirates, single-footedly placed the Sunset Bisons on the endangered species list, by scoring all three Pirate touchdowns and having 156 yards on only 13 carries. The only Sunset touchdown came in the fourth quarter when Sunset reached into its bag of tricks and pulled out the ole guard around, Sr. guard Paul Millsap took the handoff and pulled his way 27 yards for the Bisons' only score of the night. Outstanding defensive plays were made by Todd Salters and John Moore.

SUNSET 0

CARTER 34

The mistake-ridden Sunset Bisons dropped their third straight game to the Carter Cowboys, 34-0. The Bisons came out fighting at Sprague Field for their district opener with the Carter Cowboys, but broken plays and turnovers soon turned the momentum to the Cowboys' side. Although Carter's ground game was not so awesome compared to the Bisons', some clutch receiving and expert passing from the Cowboy offense set Sunset for another loss. Outstanding performances were given by John Moore who, leading the defensive secondary, hustled his way to a possible record setting 21 unassisted tackles which gave a spark to the Bisons' defensive effort, and George Robles, Bison punter who had 6 punts for an average of 35 yards.

SUNSET 7

S.O.C. 54

The Sunset defense did not know what was in store for them as the Bisons went to Sprague for their second district game. The S.O.C. high powered offense rolled up 483 yards on the Sprague turf and before the Bisons knew it they were walking to the locker room at halftime trailing 35-0. The second half didn't prove to be Sunset's either but the Bisons finally found the End Zone in the 4th quarter when the Bison offensive line started opening up a few holes and Robert Brodner scored from the two. The main mistake made by the Bisons was to turn the ball over 7 times — 3 by fumbles and 4 on interceptions.

MADISON 34

What started with a costly fumble ended in a 34-0 tumble to the Trojans of Madison High School. Sunset found its offense hard to come by as it was limited to 47 total yards by the Trojans' swarming defense. The division winning Trojans proved to be too much for the struggling Bisons.

SUNSET 7

ROOSEVELT 41

The Sunset Bisons were Cotton Bowl bound against the Roosevelt Mustangs only to fall victims to mistakes. Three interceptions and one fumble led the way for the Mustangs. Sunset Sr. Joe Charles had the only score for the Bisons. But on defense four bright spots in Kent Kirby, Paul Millsap, John Moore, and Don Berry made the Mustangs work for their victory.

SUNSET 21
NORTH DALLAS 26

North Dallas pulled two halfback option pass plays out of the Bulldog bag of tricks, one in the final quarter to rally past the Sunset Bisons, 26-21. Sunset rolling up 343 yards on the ground behind the running of tailback Joe Charles and runningback Robert Brodner; scored 14 points before North Dallas even got on the board. But the Bulldog defense held the Sunset squad scoreless in the second half while North Dallas tallied twice to win. Bright spots were Joe Charles who bulled his way for 220 yds in 33 carries.

SUNSET 14
PINKSTON 20

The Pinkston Vikings toyed with the idea of letting Sunset's 1979 football nightmare end, but victory was in the Pinkston blood. The Vikings waited until there were but 44 seconds left to pull the rabbit out and take a 20-14 come from behind win. It appeared a rather solid bet that Sunset would halt its 7-game losing streak when Bison quarterback Jimmy Davis hit tight end Reggie Willis with 2:16 remaining to take a 14 to 13 lead. But it was not to be as the Vikings took the ensuing kickoff and marched 55 yards to victory.

SUNSET 0
KIMBALL 10

Sunset fell victim to mistakes early. The Bisons on their first posession with a third down and eight fumbled at their own 22; but it was to be the Bisons' night for defense as they came in and held the Knights to only a field goal. Mistakes seemed to linger on, and a minute before halftime quarterback Jimbo Davis threw an interception for a touchdown. The second half didn't prove much either as both teams went scoreless.

Adamson 7

Sunset defeated the Adamson Leopards, 42-7, for the Bisons' first victory of the season. From a district standpoint it was a meaningless game, since both teams entered the contest with a combined record of 0-18. But from a historical and sentimental standpoint the game was a classic because it might have been the last football game ever played in P.C. Cobb and the last time Sunset will meet Adamson; a traditional rival. Gr. Joe Charles set the momentum for easy scoring in the first half and later in the second half with a combination of touchdowns by Charles and Paul Clayborn and at the remaining few minutes Mark Manning put the top on the game with a 36 yard T.D. pass from Jimmy Davis.

Bo Bison Bowling '80 was a winning sport. Under new sponsor Mr. Patrick O'Rear the team and league both did well.

The Bowling Team captured District 12-AAAA, losing only to Kimball and scoring big victories over all other teams in District matches.

The Bison Bowling League was down in numbers but still had a respectable number throwing the ball down the lanes.

The Bison swim team kept up the winning tradition this year. The boys' team, consisting of 12 swimmers, was able to recapture the zone championship while the girls' team, consisting of 5 members, placed fourth. In the District Meet the boys' team placed 1st while the girls' team missed first place by very few points and placed second. The boys' medley relay made up of Toby Anderson, Francisco Arreazola, and Mike Hodges placed first in District and set a new record which was the fastest in the city. At the District meet many records were broken as well as new ones set. The Bison Swim Team will be losing only five members including Toby Anderson, a three year state participant. The remaining members will undoubtedly keep up the winning tradition. The team would like to thank their new coach Beverly Geise for all her patience, dedication, hard work, and hard workouts.

Who's Who

Persons who achieve the honor of being named in Sunset's Who's Who do so by their hard work and dedication to many of Sunset's activities during their years at Sunset. Being named to Sunset's Who's Who is the highest honor for those who have collected many honors. Grades are considered, not as a deciding factor, but as a part of the over-all top Bison. The people who receive this honor have upheld Sunset and Sunset is proud of them.

Persons who have done an outstanding job in only one or two areas of activities will be overshadowed by those who have been active in several areas.

The honor of Who's Who is bestowed by the SUNDIAL Staff Seniors. The nomination and election of Who's Who is supervised by the SUNDIAL sponsor. When electing the winners, the staff makes their choice by voting both open-mindedly and objectively for those who have accumulated enough honors.

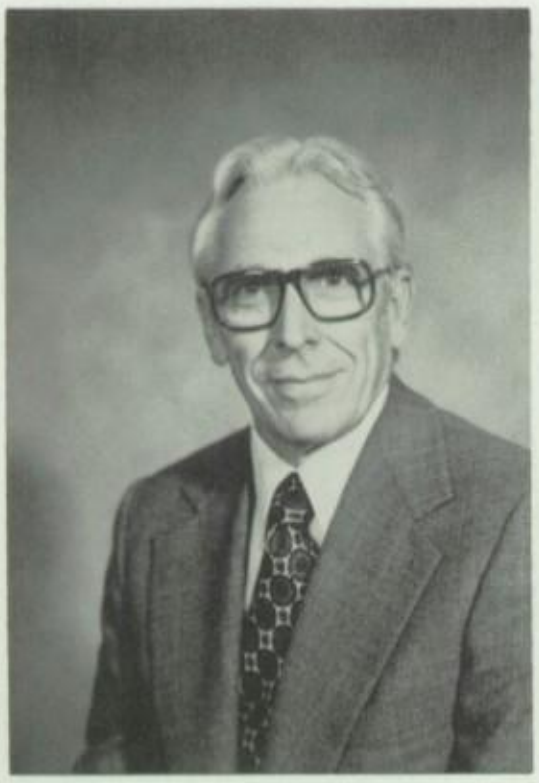
Sunset Administration



Principal
Harold J. Filgo

The year of 1979-80 has been a trying year because of the slow process of our remodeling project; and it has been a good year because we finally were able to use the new addition to our building. Our new entrance and our new offices and work spaces have added to the flexibility of our building. This is an excellent example of the blending of the new with the old to enhance the practical operation of an institution of learning. You, as faculty and students of Sunset have lived through a remodeling program that has brought about a change in our physical facilities and has enhanced the tradition of Sunset. As students of the past you have made decisions as to how you would use the opportunities available. The future will judge the wisdom of your choices. May your future be far better because of your participation in the activities of a great school.

Isaac Hernandez

To the Seniors of 1980,

A yearbook cannot fully portray the classroom work and activities which make up a school year. Only the future will be able to reveal victories which are to come as a result of your cooperation and fulfillment of your duties. As you go out to fill your place in the world today, my prayer is that you may serve God and your fellowman faithfully. Milton stated, "The end of learning is to know God, and out of that knowledge to love Him, and to imitate Him, as we may the nearest, by possessing our souls of true virtue." Congratulations!

Sincerely,

Mr. Hernandez

Seniors '80 in (Grubby) Action

Photos by Locke

The Seniors of 1980 went through a lot with the renovation and all that. However, one tradition that didn't change a bit was Senior Grub Day. This year's Grub Day had to be the best ever with a majority of the seniors taking part in the grubby dressing and the traditional picture taken at Coomb's Creek.

The moments that are too short to be held by the eye, the moments in which we have lived so fully have been caught by this book — The 1980 *Sundial.*

Leaving Sunset, we go on to make our mark on the world. We are leaving with knowledge and pride in being a Bison. Our days at Sunset are over but the spirit will be with us forever.

We have profited from our days at Sunset, from being a part of the Bison spirit. We have the incomparable knowledge of Sunset, a spirit that has and will fill us for the rest of our lives. In life there will be many promises but being Bisons will always assure us of a life full of SPIRIT, KNOWLEDGE, and FRIENDSHIP.
